Can You Help Meet A Need?

We are in need of a 3 wheeled motorcycle with cargo box. Our current 3 wheeler has been broken down for 4 months and we are not able to get replacement parts because of the Covid19 shut down. A 3-Wheeler is essential in our day to day operation as we use it to carry supplies and equipment to our new land. We have been renting a replacement, but it's difficult to find one and also expensive. I am asking for your support in helping us purchase a new 3 wheeler. Your contribution will make an impact, whether you donate \$5 or \$500. Every little bit helps. Thank you in advance.
