

RESTORING LIVES, LAND, AND HOPE

*"The planting of the LORD,
that He may be glorified."
— Isaiah 61:3*

"God restores those who have known sorrow, giving beauty for ashes, joy instead of mourning, and praise instead of despair—raising them as strong trees of righteousness, planted by the Lord for His glory." — Isaiah 61:3

In 2026, FARM Haiti envisions a future where people, land, and communities flourish under God's care. Like trees with deep roots, we nurture lives, cultivate the land, and sow hope across Haiti.

Restoring Lives

Through education, mentorship, and skills training, we help youth and families turn sorrow into strength, grow in faith, and break cycles of poverty.

Restoring Land

Using God-centered, sustainable farming practices, organic composting, and tree planting, we help farmers restore degraded land and make it productive again.

Restoring Hope

By growing nutritious food, providing training, and offering spiritual encouragement, we replace despair with joy and confidence for the future.

Your Generosity Brings Hope

Robenson and Emily were part of my very first God's Love Group. Every week, Emily would quietly ask me to pray for a baby. We prayed together, trusting God's timing, and a few months later, Robenson came running with joy—Emily was pregnant! We praised God for His blessing. But soon, sorrow touched their lives. Emily delivered the baby, but sadly, the baby didn't survive. She was weak and needed urgent care. FARM Haiti was able to step in, providing financial support and prayers to help her regain strength.

When you give to FARM Haiti, you help families like Emily and Robenson's. Your generosity brings hope, healing, and God's love to those who need it most, reminding them they are never alone.

Our Action Plan for 2026

- Train 150 adults and youth in God-centered farming.
- Plant 10,000 trees as a symbol of hope.
- Engage communities in disciple-making programs that strengthen family, faith, and self-reliance.

By God's grace, each life restored, field renewed, and hope rekindled becomes a testimony of His glory. Together, we are raising **strong trees of righteousness**, rooted in faith and growing boldly into the future.

Restoring Lives, Land, and Hope

As we look ahead, we invite you to continue walking with us. Your prayers sustain this work, and your financial support helps turn training, seeds, and Scripture into lasting change for families in Haiti.

If God places it on your heart, please consider making a gift today to support FARM Haiti's ongoing discipleship and agricultural training. Together, we are planting seeds that will bear fruit for generations.

Thank you for believing, praying, and standing with us.
